UNITED

FOR A BETTER TOMORROW

Northern New York

We are better, stronger, and more effective when we work together to solve problems and serve our community the united way. Join us in taking action to ensure a brighter future for all.

IMPACT

KEY AREAS OF FOCUS

A community's strength stems from those who call it home. It is our collective strength that drives United Way's impact.

When you donate to United Way, you choose an amount that is comfortable to you. No gift is too small to make a difference. Each and every dollar is important to the collaborative effort to ensure that everyone has access to opportunities to learn, grow, and thrive.

Your donation goes to work right away, impacting individuals and communities across the North Country, addressing needs centered around three priority areas of focus:

- **Social Determinants of Health**
- **Child / Youth Success**
- **Economic Stability**

Volunteers from different community sectors, including "Getting Ahead" workshop graduates, lead the decision-making process to invest in programs that are measurable, sustainable, and meet community needs.

LIVE UNITED®

JOIN THE MOVEMENT!

United, we improve the lives of more than **30,000** North Country residents each year. We support and coordinate robust programming that strengthens individuals, families, human service providers, and communities across Jefferson, Lewis, and St. Lawrence Counties.

United, we create results that no one organization or initiative can accomplish alone. When you join the LIVE UNITED movement, you can feel confident that your support is being put to work locally with careful thought. When everyone gives a little, we can create a lot of change and and impact in our community!
