

UNITED FOR A BETTER TOMORROW

Why United Way?

When we give to United Way, we are ensuring access to opportunities for a better tomorrow for residents of Jefferson, Lewis, and St. Lawrence Counties. Providing transportation to seniors. Creating safe learning environments for children. Distributing nutritious food. Strengthening literacy skills. Supporting survivors of domestic violence. Encouraging healthy family dynamics. Guiding individuals out of poverty. Improving health outcomes. Building the capacity of the nonprofit network. And so much more!
