

THE UNITED WAY: MORE THAN A NAME

IT'S HOW WE ROLL!

WHAT WE DO

- Rally community support for vital programs that address: social determinants of health, child / youth success, and economic stability (2024 program partners listed on reverse).
- Engage community members in funding decision-making and other volunteer opportunities.
- Coordinate programs in partnership with local schools: Jeff-Lewis BOCES Meals with a Mission, Watertown City School Food 4 Families, Edwards-Knox Community School, and Morristown Central before and after school programming.
- Connect ALICE workers to resources.
- Strengthen and increase access to the 211 Referral Network.
- Facilitate Bridges out of Poverty, Getting Ahead, and Workplace Stability workshops. Support Getting Ahead graduates in resource-building through regular Staying Ahead programming.
- Offer professional development opportunities to the nonprofit sector.

HOW WE DO IT

- Unite communities, resources, and partners to collaboratively address local needs, foster impactful programming, and enhance quality of life.
- Create opportunities for community members to give, advocate, and volunteer.
- Empower under-resourced individuals to lend their voice to solutions to community issues.

WHY WE DO IT

- We recognize that we are better, stronger and more effective when we work together, serving our community “the united way.”
- We strive for a community living united where every person belongs and every person thrives.
