

Why **UNITED WAY?**

When you support United Way, you become a catalyst for change, creating opportunities for a brighter future across Jefferson, Lewis, and St. Lawrence Counties. Your support provides transportation for seniors, fosters safe and enriching learning spaces for children, and helps working families achieve lasting stability. It delivers nutritious food to those in need, strengthens literacy skills, and empowers survivors of domestic violence. Together, we encourage healthy family relationships, guide individuals out of poverty, improve health, and build the capacity of the nonprofit network. With your help, we transform lives, creating a ripple effect of hope and possibility for generations to come.
