

UNITED WAY
Northern New York

UNITED IS THE WAY™

WHAT WE DO

- Rally community support for vital programs that address social determinants of health, child / youth success, and economic stability (2025 program partners listed on reverse).
- Engage community members in funding decision-making, volunteer opportunities, and collective efforts like the annual Community Food Drive.
- Coordinate programs in partnership with local schools to include Jeff-Lewis BOCES, Watertown City School, Edwards-Knox and Morristown.
- Connect ALICE workers to resources.
- Strengthen and increase access to the 211 Referral Network.
- Facilitate Bridges out of Poverty, Getting Ahead, and Workplace Stability workshops. Support Getting Ahead graduates in resource-building through regular Staying Ahead programming.
- Offer professional development opportunities to the nonprofit sector.

HOW WE DO IT

- Unite communities, resources, and partners to collaboratively address local needs, foster impactful programming, and enhance quality of life.
- Create opportunities for community members to give, advocate, and volunteer.
- Empower under-resourced individuals to lend their voice to solutions to community issues.

WHY WE DO IT

- We recognize that we are better, stronger and more effective when we work together, serving our community “the united way.”
- We strive for a community living united where every person belongs and every person thrives.
